To Alam, Mst Sanjida <MsAlam@clarku.edu>

Dear Alam,

On behalf of the Graduate Student Council, I am pleased to inform you that your application for the GSC Travel Award has been conditionally approved.

This funding cycle was highly competitive, and we received many strong applications. Before we proceed with final confirmation, we kindly ask that you confirm whether this is the only travel award funding you are receiving from Clark University for this conference. As we aim to distribute limited Clark funds as equitably as possible, we greatly appreciate your honesty in helping ensure that financial support reaches as many students as possible.

Please submit copies of your official receipts and proof of conference registration at your earliest convenience. Receipts should reflect eligible expenses in accordance with the award guidelines. Once we receive your confirmation and documentation, we will provide further instructions regarding the reimbursement process.

Additionally, we would invite you to register for our **24th Annual Multidisciplinary Conference (MDC)**

The MDC will take place on Monday, **April 20, 2026**, and is open to all Clark Master's and PhD students, as well as graduate students from other New England Colleges and Universities.

Registration/Abstract Submission Deadline: **March 20, 2026**

Abstract and Poster Submissions: https://forms.office.com/r/PDz0kccdQE?origin=lprLink

Congratulations again on your achievement, and we look forward to supporting your participation.

Best Regards,
Graduate Student Council
Clark University
